

Hello, my name is Cookie and I live with Santa in the North Pole.

It's the 1st of December, which means it's nearly Christmas. Horray!

Santa said that it was ok for me to come and stay with you for a while. I hope that's ok with you?

I have magic powers like Santa and sometimes in the evenings while you are sleeping I will pop back to the North Pole to let Santa know how everything is.

Don't worry though because I will be back by the morning. You won't see me moving around during the day because I don't want to scare anyone. Please do look for me, as I will be here somewhere.

I can only stay until Christmas Eve and then I have to return to the North Pole to help Santa and prepare for next year.

Let's have lots of fun until then.

Your friend, Cookie xx

I can't believe it is Christmas Eve already. I've had such a great time staying with you and getting to know you better.

In fact, I have had such an amazing time that I spoke to Santa and asked if I could come and visit you again next year. Guess what....he said YES!!

So if it is alright with you, I would love to have more fun with you next Christmas.

All that you need to do to make this happen is to say nice and loud "Yes Please".

I will really miss you, but I have lots of important jobs to do for Santa this year, so I'm afraid that I do have to go back to the North Pole. But, I will be thinking of you and I can't wait to see you again next year. I bet you will have grown SO much!

Have an wonderful Christmas and enjoy everything that next year has to offer for you.

I hope you enjoy all the presents from Santa. P.S....I may have helped him pick one or two especially for you.
